FITTING CHILDREN'S SHOES

This shoe size chart helps parents determine what shoe size to order online based on the child's foot length. In order to buy your kid's shoes online, you also need to know their foot width (narrow, medium, wide, or extra wide) and instep height. If you are unsure of your child's foot shape please contact me at: fittingchildrensshoes@gmail.com

	Inches	Centimeters	US Shoe Size	Order this shoe size to allow for growing room	UK shoe size	Order this shoe size to allow for growing room
INFANT	3 3/4	9,5	2	2 1/2	1	1 1/2
